## Weekend Review: Playoff 411—First Round Recap

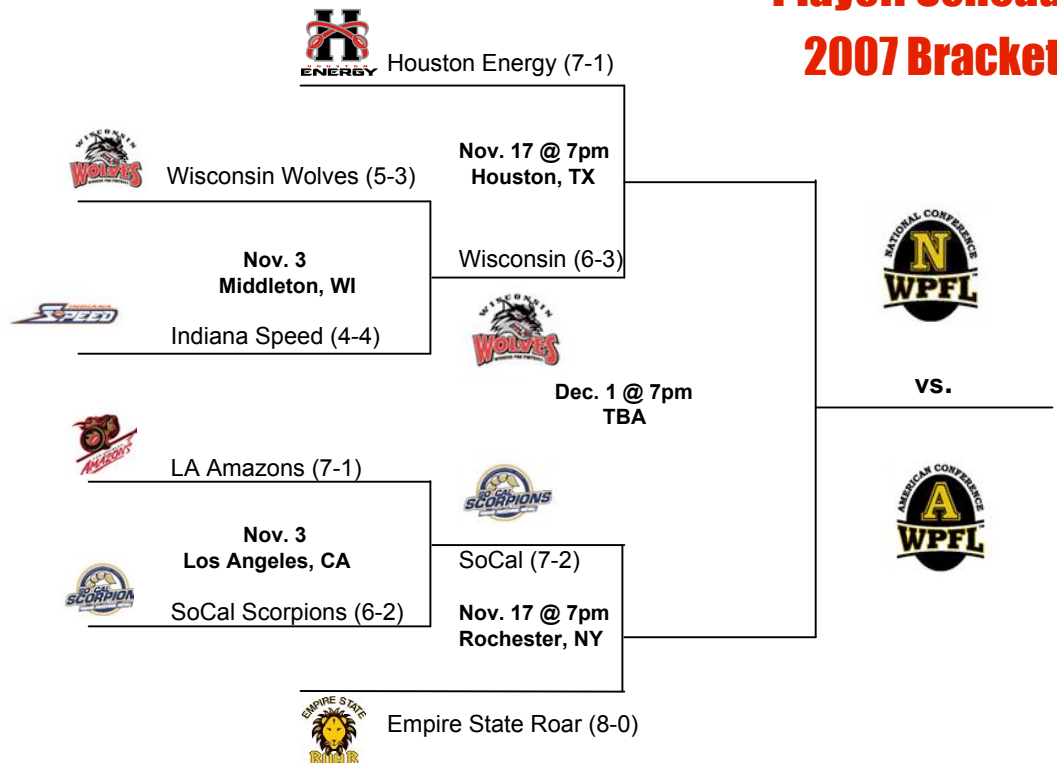

### NATIONAL CONFERENCE

**Wisconsin Wolves, 27; Indiana Speed, 8**—With a 27-8 victory over the Indiana Speed last weekend, the Wisconsin Wolves advance to the second round of the WPFL playoffs. Playing in front of a home crowd, the Wolves scored first and never looked back as they sped past Indiana with eyes focused toward Houston. For the second time in two years, Wisconsin will face the Houston Energy in the National Conference Championship Game.

### AMERICAN CONFERENCE

**SoCal Scorpions, 7; LA Amazons, 6**—When interstate rivals LA and SoCal play, it is always a tough match-up. Last weekend's playoff game was no exception. The Amazons put points on the board first when their defense scored a touchdown off an interception. After a missed extra point, the Amazons held the Scorpions scoreless until late into the 3<sup>rd</sup> quarter when a SoCal touchdown and successful PAT put them ahead by one. The Amazons had a final chance to score with time running out but couldn't convert on offense. The victory advances SoCal to the American Conference Championship Game where they will take on the undefeated Empire State Roar.
